

Give AB 6 the Green Light!

Turn Your Support Into a Starring Role

**Join the Casting Call for Support:
The AB 6 Movement is Now a Movie!**

Send us a video clip, postcard, image or message about:

- ★ **The contributions your community has made to removing finger-imaging, converting to semi-annual reporting, or establishing a “Heat & Eat” program**
- ★ **How these changes will improve access to CalFresh**
- ★ **What these changes would mean for the perception of CalFresh**
- ★ **How these changes would support CalFresh modernization**
- ★ **What these changes would mean for your community**

These are just a few ideas to inspire your starring role in the AB 6 movie. We welcome you to get creative or just speak straight from the heart.

Please send us your submission and we'll include them in the movie, which we'll post to our website and use in communicating the broad range of support for AB 6. Many of us have been working on these changes for years. This is an opportunity for you to express your excitement about these proposed changes becoming real program improvements for clients. We're hoping to gather video clips, postcards, images, and other messages from a wide range of community partner across the state. Please spread the word! We especially encourage submissions that include messages from those who would be directly affected by these changes.

**Submissions are Due by COB on Tuesday, September 13th.
Send entries to Alexis Fernández by mail or email.**
