

**SAVE THE DATE!**

**HUNGER  
ACTION  
DAY**

**Join the California Hunger Action Coalition**

**May 24, 2017**

**in Sacramento, California**

Each May hundreds of anti-hunger advocates from across the state meet in Sacramento to educate their legislators about hunger and encourage their support for anti-hunger legislation. This year advocates from your community will be at the capitol on Wednesday, May 24, 2017. With more than 4 million California adults struggling with food insecurity it's critical that these issues are addressed in 2017.
