

California Food Policy Advocates

Helping Schools Optimize CEP in 2020-21
Webinar recording & resources now available!

NEW RESOURCE!

Meals Count **TOOLS TO OPTIMIZE CEP** **GROUPING & FUNDING**

On July 9, 2020, California Food Policy Advocates (CFPA) and the Food Research & Action Center (FRAC) co-hosted a webinar that featured an overview of the Community Eligibility Provision and virtual tours of two new tools that school districts can use to optimize CEP.

- [Meals Count](#) is a free, online, customizable, online tool that effectively and efficiently groups schools to get the most out of CEP.
- FRAC's CEP [financial calculators](#) are available to help assess and maximize CEP funding.

Thank you for registering for this webinar!

Didn't have time to join us for the webinar or need a refresher?

Watch the webinar [recording](#) now...

- CEP overview at 4:00 (Gurjeet Baraya, California Department of Education)
